

Jacob and Sons

Way, way back many centuries ago,
Not long after the Bible began,
Jacob lived in the land of Canaan,
A fine example of a family man.

Jacob, Jacob and Sons,
Depended on farming to earn their keep,
Jacob, Jacob and Sons,
Spent all of his days in the fields with sheep.

Any Dream will Do

I closed my eyes, drew back the curtain
To see for certain what I thought I knew.
Far far away some one was weeping,
But the world was sleeping, any dream will do.

I wore my coat (*I wore my coat*) with golden lining, (*ah--*)
Bright colours shining (*ah--*) wonderful and new.
And in the east (*and in the east,*) the dawn was breaking (*ah--*)
And the world was waking, (*ah--*), any dream will do.

A crash of drums, a flash of light,
My golden coat flew out of sight.,
The colours faded into darkness, I was left alone.

May I return (*may I return*) to the beginning, (*ah--*)
the light is dimming (*ah--*) and the dream is too.
The world and I, (*the world and I*) we are still waiting, (*ah--*)
Still hesitating, (*ah--*) any dream will do.

A crash of drums, a flash of light,
My golden coat flew out of sight.,
The colours faded into darkness, I was left alone.

May I return (*may I return*) to the beginning, (*ah--*)
the light is dimming (*ah--*) and the dream is too.
The world and I, (*the world and I*) we are still waiting, (*ah--*)
Still hesitating, (*ah--*) any dream will do.

Any dream, any dream will, any dream, any dream will do.
Any dream, any dream will, any dream, any dream will do.

Close Every Door

Close ev 'ry door to me, hide all the world from me,
Bar all the windows and shut out the light.
Do what you want with me, leave me and laugh at me,
Darken my daytime and waken my night.

If my life were important I would ask will I live or die,
But I know the answers lie far from this world.

Close ev 'ry door to me, keep those I love from me,
Children of Kind-ness are never alone,
For I know I shall find my own peace of mind,
For I have been promised a land of my own.

Close ev 'ry door to me, hide all the world from me,
Bar all the windows and shut out the light.

La la la la la la, la la la la la la,
La la la la la la, la la la la la la,
La la la la la la, la la la la la la,
La la la la la la, la.

Close ev 'ry door to me,
keep those I love from me,
Children of Kindness are never alone,
For we know we shall find our own peace of mind,
For we have been promised a land of our own.

Good Morning Starshine

Good mor-ning, starshine, the earth says hello.
You twinkle above us, we twinkle below.
Good morning starshine, you lead us along,
My love and me as we sing our early morning singing
song.

Gliddy glup glo-py, nibby nabby noopy, la la la lo lo.
Sabby si-by sabba, nooby abba nabba, lee lee lo lo.
Tooby ooby walla, nooby abba nabba,
Early morning singing Song.

Singing a song, humming a song, singing a song.
Loving a song, Laughing a song, sing the song.
Sing the song, song the sing
Song, song, song, sing, sing, sing, sing, Song
Song, song, song, sing, sing, sing, sing song.
Early morning sin-ing song

Lullaby of Birdland

Lullaby of birdland that's what I
Always hear when you sigh.
Never in my wordland could there be ways
To reveal, in a phrase how I feel!
Have you ever heard two turtle doves
Bill and coo from above?
That's the kind of magic music we make
With our lips when we sing!
And there's a weepy old willow;
He really knows how to cry!
That's how I'd cry in my pillow,
If you should tell me farewell and goodbye!
Lullaby of birdland whisper low,
Kiss me sweet and we'll go,
Flyin' high in birdland, high in the sky up above,
All because we're in love!

Lullaby of birdland that's what I
Always hear when you sigh.
Never in my wordland could there be ways
To reveal, in a phrase how I feel!
Have you ever heard two turtle doves
Bill and coo from above?
That's the kind of magic music we make
With our lips when we sing!
And there's a weepy old willow;
He really knows how to cry!
That's how I'd cry in my pillow,
If you should tell me farewell and goodbye!
Lullaby of birdland whisper low,
Kiss me sweet and we'll go,
Flyin' high in birdland, high in the sky up above,
We're in love

Just the way you are

Aaah.....

Oh, your eyes, your eyes, make the stars look like they're not shining.

Your laugh your laugh, so natural without you trying

You're so beautiful, and I tell you ev 'ry day.

Yeah, I know, I know,

When I compliment you you won't believe me.

And it's so, it's so, sad to think that you don't see what I see

To ev'ry child of the world I'd like to say

When I see your face, there's not a thing that I would change,

'Cause you're amazing, just the way you are

And when you smile, the whole world stops and stares for a while,

'Cause you are amazing, just the way you are.

Oh, your eyes, your eyes, make the stars look like they're not shining.

Your laugh your laugh, so natural without you trying

You're so beautiful, and I tell you ev 'ry day.

Yeah, I know, I know,

When I compliment you you won't believe me.

And it's so, it's so, sad to think that you don't see what I see

To ev'ry child of the world I'd like to say

When I see your face, there's not a thing that I would change,

'Cause you're amazing, just the way you are

And when you smile, the whole world stops and stares for a while,

'Cause you are amazing, just the way you are.

The way you are, the way you are,

Yes you're amazing, just the way you are.

When I see your face, there's not a thing that I would change,'

'Cause you're amazing, just the way you are.

And when you smile, (smile) the whole world stops and stares for a while,

'Cause you are amazing, Just the way you are.

You're Welcome

Okay, I see what's happening, yeah:
you're face to face with greatness, and it's strange.
You don't even know how you feel.

It's adorable

Well, it's nice to see that humans never change.
Open your eyes. Let's begin:
Yes, it's really me, it's Maui.

Breathe it in

I know it's a lot: the hair, the bod,
When you're staring at a demi-god.

What can I say except,
"You're welcome, for the tides, the sun, the sky"?
Hey, it's okay, it's okay: you're welcome.
I'm just an ordinary demi-guy.

Hey, What has two thumbs and pulled up the sky
when you were waddling yea high?

This Guy!

When the nights got cold, who stole you fire from down below?

You're looking at him, yo.

Oh, also, I lassoed the sun.

You're welcome.

To stretch your days and bring you fun.

Also, I harnessed the breeze.

You're welcome.

To fill your sails and shake your trees.

So what can I say. except, "You're welcome,
for the islands I pulled from the sea?"

There's no need to pray, it's okay, you're welcome.

Huh!

I guess it's just my way of being me!

You're welcome! You're welcome!

Well, come to think of it:

Rap

*Kid , honestly, I could go on and on.
I could explain ev'ry nat'ral phenomenon,
The tide? The grass? The ground?
Oh that was Maui just messing around.*

*I killed an eel, I buried its guts,
Sprouted a tree, now you got coconuts!
What's the lesson? What is the takeaway?
Don't mess with Maui when he's on a breakaway!*

*And the tapestry here in my skin
Is a map of the vict'ries I win!
Look where I've been! I make ev'rything happen!
Look at the mean mini Maui, just tickety
Tappin! Heh, Heh, heh,
Heh, heh, heh, hey!*

Well, anyway, let me say, "You're welcome,
For the wonderful world you know?"
Hey, it's okay, it's okay: you're welcome.
Well, come to think of it, I gotta go.
Hey, it's your day to say, "You're welcome "
'Cause I'm gonna need that boat
I'm sailing away, away.
You're welcome. 'cause Maui can do ev'rything but float!
You're welcome! You're welcome!
And thank you.

How Far I'll Go

I've been- staring at the edge of the water long as I can remember
never really knowing why.

I wish we could be a son or daughter

But we come back to the water

No matter how hard I try.

Ev'ry turn I take, ev'ry trail I track, ev'ry path I make,

Ev'ry road leads back to the place I know

Where I cannot go, where I long to be.

See the line where the sky meets the sea,

It calls me, and no one knows how far it goes.

If the wind in my sail on the sea stays behind me,

One day I'll know,

If I go, there's just no telling- how far I'll go.

I know ev'ry body on this island seems so happy on this island

Ev'rything is by design.

I know ev'ry body on this island has a role on this island,

So maybe I can roll with mine

I can lead with pride, I can make us strong.

I'll be satisfied if I play along,

But the voice inside sings a different song.

How I long to be

See the light as it shines on the sea:

It's blinding, but no one knows how deep it goes.

And it seems like it's calling- out to me,

So come find me and let me know.

What's beyond that line? Will I cross that line?

See the line where the sky meets the sea, it calls me

and no one knows how far it goes.

If the wind in my sail on the sea stays behind me,

One day I'll know how far I'll go!

We know the Way

Tatou tagata folau vala'a uina

Te manulele e tataki 'iei.
Aue! Aue! Te fenua te mali e.
Nae ko hakilia kaiga e.

We read the wind and the sky when the sun is high.
We sail the length of the seas on the ocean breeze.
At night we name ev'ry star; we know where we are.
We know who we are, who we are.

Away, away, we set a course to find.
A brand new island ev'rywhere we roam.
Away, away, we keep our island in our mind;
And when it's time to find home, we know the way. (A- way, a- way.)

We are explorers reading ev'ry sign.
We tell the stories of our elders in a never ending chain.
(Aue! Aue! Te fenua te malie. Nae ko hakilia.)
We know the way!
Away, away, we set a course to find.
A brand new island ev'rywhere we roam.
Away, away, we keep our island in our mind;
And when it's time to find home, we know the way. (A- way, a- way.)
We are explorers reading ev'ry sign.
We tell the stories of our elders in a never ending chain.
(Aue! Aue! Te fenua te mali e. Nae ko hakilia.)
We know the way!

Wake me Up

Jitterbug Jitterbug Jitterbug Jitterbug

You put the boom boom into my heart,
You send my soul sky high when your dancing starts
Jitterbug into my brain

Goes a'bang bang bang, till my feet do the same
If something's bugging you, if something ain't right
It makes me crazy when you act up-tight
Come on baby, let's not fight
We'll go dancing, ev'ry thing will be all right

Wake me up before you go go,
Don't leave me hang ing on like a yoyo.
Wake me up before you go go,
I don't wanna miss it when you hit that high.
Wake me up before you go go,
'Cause I'm not planning on going solo.
Wake me up before you gogo,
Take me dancing tonight.
I wanna hit that high, Yeah yeah

You put the boom boom into my heart,
You send my soul sky high when your dancing starts
Jitterbug into my brain

Goes a'bang bang bang, till my feet do the same
If something's bugging you, if something ain't right
It makes me crazy when you act up-tight
Come on baby, let's not fight
We'll go dancing, ev'ry thing will be all right

Wake me Up

(Instrumental)

Come on Baby, make it right
We'll go dancing tomorrow night
Come on baby, let's not fight
We'll go dancing, ev'rything will be all right
Wake me up before you go go,
Don't leave me hanging on like a yoyo.
Wake me up before you go go,
I don't wanna miss it when you hit that high.
Wake me up before you go go
'Cause I'm not planning on going solo.
Wake me up before you go go,
Take me dancing tonight. Aah!
