## Catholic Character:

**Feast of Marcellin Champagnat:** Next week we are celebrating this special feast day. Marcellin Champagnat founded a religious order known as the Marist Brothers who dedicated their lives to the teaching of young people.

Eighty six years ago here in Miramar the Brothers opened up a school known as Marist Miramar; the original building now houses our Year 6-8 classes. In 1987 two schools, Holy Cross Miramar and Marist Miramar joined together and became Holy Cross Miramar.

On Thursday 7th June at 8.45am we will be celebrating the Feast of Marcellin Champagnat in the hall with whole school prayers. Come and celebrate with us!

## GARDEN TO TABLE Chefs Diya, Tanvi and Pavit

**Home Garden: Diya:** My Grandma plants a lot of flowers which are growing well and also growing strawberries.

**Tanvi:** We have a lot of flowers and behind the garage we had cherry tomatoes but they got knocked off by the hail and mashed up!

**Pavit:** At my home my grandma plants potatoes, we don't use seeds, we use the actual potato. We have mint growing. I help Grandma to dig the soil.

**Kitchen Information: Diya:** Tuck your fingers away when you're cutting.

**Tanvi:** When you're frying food add it carefully to the pan so it doesn't splatter.

**Pavit:** Make a bridge with your hand when cutting.

### **Garden Information:**

**Diya** When you pull out stinging nettle, wear gloves

**Tanvi** You can use dock to rub on your arms if you touch stinging nettle, chew it first then rub it on.

**Pavit** When you take out a plant, take it from the root so it comes out easily.
