Term 3 Week 1 Newsletter 2023

Principal's message

A very exciting event on our Holy Cross School calendar is our School Production- Our Journey! Tō Tātou Haerenga. The staff tell me that this is the first production of any sort for quite some time! Our work towards this event has been supported by a Creative in Schools grant where we have been able to call upon the extensive skills and expertise of Frankie Leota who has performed in a number of Wellington based productions and events, the most recent being Les Miserables in 2022 and Wicked in 2023. Frankie has been sharing her knowledge and passion for theatre, dance and music with the tamariki in each class since mid term 2 and is working with classes to develop a theme or idea around our nation's journey through history from pre- Maori settlement through the ages until the recent migration that has made our nation a rich and diverse place. Each class will take an aspect of this journey and share this with you all through drama, music and dance.

We are working to bring this event to you in Week 10 with performance dates being Tuesday 19th and Wednesday 20th September. We will provide more information on times and number of performances as our planning progresses.

Much of our classroom programs will focus on this event including a great maths focus on two topic areas: space (looking particularly at maps and directions) and measurement. These topics will be a focus across the school. So take the opportunity to talk to your tamariki about what they have been doing to prepare for our production throughout the term. You might like to ask them what their class theme is or what they are creating in the way of props and costumes. I am sure there may be requests to come home for items to use in the creation of props or costumes too. Our celebration of learning for term 3 will be Our Journey! Tō Tātou Haerenga- an event not to be missed!

Reporting to parents.

Every school in New Zealand is required to report to parents on the progress and achievement of their tamariki. This week on Wednesday and next week on Thursday we have our Whānau interviews where kaiako/ teachers and whānau use the midterm reports as a discussion starter on how each tamariki is going at school. There is a space on these reports to jot notes to help your discussion. Please use this time to give feedback to teachers on how you see your tamariki's learning going from the home perspective and to ask any questions you may have. Learning is a partnership. The best learning happens when we can back each other up, share the successes and plan together to see your whānau aspirations achieved. Kaiako/ Teachers will summarise the discussion that you have and include this in the final written, coloured copy, signed report which will go home on Friday 4th August.

This Thursday there is also an opportunity for parents from Rooms 11, 12 and 7 to learn about the changes we are making to teaching Reading and Writing through implementing the Better Start Literacy Program. The meeting will be in Room 11 and I encourage as many parents as possible to come along and learn about the significant changes that we are implementing in the way these subject areas are taught.

Remember on Thursday school will finish at 2.30pm and interviews will take place from 3-6pm. If you are unable to attend at this time, please contact your tamariki's kaiako/ teacher to organise an alternative time to meet. Thank you to all whānau members who have taken the time to connect with us through these interviews.

PRAYER

At Holy Cross School, prayer is an important component to our daily school and spiritual life. Students would pray in the morning thanking God for the things He has done for us and asking God to guide them during their daily lives. Often they would pray for those in need, and relate it to current events such as people suffering from the floods up North. Classes would bless their food before eating and say a karakia at the end of the day.

In the Junior classes, they have been exploring and adapting the 'Five Finger Prayer'. In this prayer style, each finger reminds students of important people they can pray for. The fingers are represented as follow:

- Thumb is for the people close to you like a family member
- Pointer fingers is for those whose occupation supports people like teachers or doctors
- Middle finger for the leaders around the world
- Ring finger for the sick and poor
- Pinky finger for themselves

For our juniors they have focused on people that are close to them. Have a go using this prayer style at home.

School finishes early on Thursday 27th July for whānau conferences

Reminder : Thursday 27th July school finishes early at 2.30pm to allow the teachers a break before whānau conferences begin from 3.00pm - 6.00pm.

If you haven't booked yet please click on the link and make a time to visit your child's teacher to complete the school report.

What's happening this term?

Senior Syndicate

Holy Cross Senior Syndicate, Room 1 & 2 – Term 3, 2023

This term will be a busy one for our senior syndicate team. Following is a breakdown of what we will be focusing on. Please contact Matua Tala or Ethel if you have any questions about things we have coming up.

Wāhine Toa / Tamatane Kaitiaki: One of the successes of our puberty unit was our "Wāhine Toa / Tamatane" Thursdays. This is where Room 1 & 2 split into tāne and wāhine. Ethel has been teaching our girls about the importance of being strong. Wāhine Toa and Matua has been teaching the boys about being respectful male role models. Our intention this term is to carry on with these lessons to promote a culture of collaboration, respect and leadership within our syndicate.

Our Journey! To Tātou Haerenga: This term things are amping up with our production. Room 1 & 2 working on developing the following things:

- Risk taking with creative choices in performing arts and drama
- Creating items for their classroom performance
- Making props and costumes for the performance

We are also using reading, writing and numeracy to practice these skills too. For example, this week, Room 1 has had a focus on acting and playwriting. They have been practicing and performing school journal plays whilst writing their own. In maths, we are focusing on measurement and investigating how we will make our props and costumes.

Kotuitui Football Sessions: From week 3, we will be taking part in the Kotuitui football program which is aligned with the FIFA Women's Football World Cup. Our local soccer club, Miramar Rangers will be sending some coaches to our school to do 30 - 45 minute football workshops with our tamariki. We are very excited and think that the timing is perfect!

Social Justice: For RE this term, we are looking at social justice and the role we can play in our community. In Rooms 1 & 2 we are investigating role models and specific events that have made an impact in our country and community. For example, role models include Suzanne Aubert, Kate Sheppard and Dame Whina Cooper. Specific events are the 1975 land march, setting up the soup kitchen, creche and home of compassion and many more. From here, we will look to implement some social justice action within our community.

Technology (As per normal): Tuesday Afternoons we will continue to have technology at Mt Cook school. If your child is in cooking they will need to remember to bring a container for their treats.

2024 Camp Fundraising (Yr 6 & 7): Last term we completed the spell-a-thon and are waiting on final amounts of money to come through. This term, we will look at how much money we have left to fundraise and organise 1-2 events over term 3 & 4. Keep an eye out on notices or emails regarding this.

Ngā mihi nui e te whānau,

Ben, Sonya, Eleanor and Nik

For an overview of our programme this term, read on!

Maths

Alongside building on core number knowledge, there will be a focus on Position and Orientation as well as Algebra.

Many maths opportunities will be integrated with art, movement and technology as we work on our school production.

Literacy

Through our daily reading programme we will be building vocabulary knowledge and an understanding of text structure. We will be making connections within text and retelling in our own words.

This will flow into our writing, where we will be working on report and persuasive writing, as well as fictional text.

Middle Syndicate

Term 3 Overview

Rooms 3, 6 & 8

Welcome to Term 3! We have a full programme planned with a balance of traditional and exciting new learning opportunities, including our full school production, Our Journey! Tō Tātou Haerenga.

We will continue our learning through the schoolwide lens of *Journey - Personal, Physical and Historical*.

Each class will explore in depth an aspect of Journey linked to their production focus:

- Room 3: The journey of our soldiers. The impact at home and abroad, before and after.
- Room 6: Migration journeys. Those personal to our own whānau and migration stories that are important to Aotearoa.
- Room 8: The impact of Suzanne Aubert's journey to, and work in, Aotearoa.

RE

We will continue our journey through the Parables of Jesus. We will grow our knowledge by exploring the 'I am' statements in John's Gospel. Through our growing understanding of Jesus' life, we will reflect on our relationship with God and each other.

Garden to Table

In the kitchen, we will continue to grow our tool skills while making food eaten by our soldiers and from different cultures to reflect our migration learning.

In the garden, we will be planning for Spring, learning about pollinators and continuing to learn about soil as well as exploring rongoa Māori, following in the footsteps of Suzanne Aubert.

Junior Syndicate

Our schoolwide focus for the year is **Journeys**
Personal, Physical, Historical Journeys

Rooms 7, 11, 12

In the junior syndicate this term, we are looking forward to exploring and learning together:

Journeys and Exploration <small>(Aotearoa Histories / Science)</small> 	Tō Tātou Whakapono <small>(Aotearoa Histories / The Arts)</small> 	Geometry - Mapping <small>(Maths)</small>
Belonging / Being Church <small>(RE)</small> 	Set and Costume Making <small>(Technology / The Arts)</small> 	Dance / Production <small>(The Arts)</small>

Junior Syndicate whānau information meeting

Parents of students in Rooms 11, 12 and 7

You are warmly invited to our
Better Start Literacy Approach
whānau information meeting

Date: Thursday 27th July
Time: 3 pm
Location: Room 11

The **Better Start Literacy Approach** was developed by the Child Wellbeing Research Institute and School of Teacher Education at the University of Canterbury in Christchurch.

The Approach has been piloted and tested with over 1000 tamariki, their teachers and whānau in Christchurch and Auckland communities. The results showed that the **Better Start Literacy Approach** is very effective in advancing the reading and spelling abilities in 5 – 6 year old tamariki.

The Ministry of Education is supporting the **Better Start Literacy Approach** which has been specially designed for our New Zealand educational context. It includes the new Ready to Read Phonics Plus readers for young children that are being distributed to all schools.

We are excited about using the **Better Start Literacy Approach** in our junior classrooms at Holy Cross School.

We would love to have you come along to learn more about this approach and find out how to support your child's literacy learning at home.

Kōtuitui Football

Late last year we registered to participate in the 'Kōtuitui – Let's Get Connected' programme run by NZ Football and Sport NZ to celebrate the FIFA Women's World Cup 2023.

Kōtuitui is a cross curricula, unit of work that supports ākonga in years 4 through to 8 to learn about biculturalism and multiculturalism.

With a strong focus on the social sciences, Kōtuitui supports learning across the curriculum and provides opportunities for ākonga to practice inquiry and problem solving processes.

Drawing on the theme of Beyond Greatness, Kōtuitui combines a set of classroom learning experiences plus football sessions provided by NZ Football, to provide an easy to follow fun programme and to celebrate the largest sporting event to be held in Aotearoa.

We will be working with local football club Miramar Rangers who will help run the programme at Holy Cross School and we look forward to our students learning and developing new skills over the 5 week period.

Fifa World Cup Wellington Opening Ceremony

10 of our kotiro/ female students represented Holy Cross School at the Opening ceremony on the waterfront on Thursday afternoon. They took time in the holidays to learn a special waiata/ song which they sang with a number of other Wellington schools as the waka came around the edge of the waterfront. The 2023 Fifa World Cup will hold great memories for these young ladies. Thanks to parents for supporting by providing transport.

Garden To Table

Gardener of the Day: Gabriella (Year 4, Room 3)

Today my Garden to Table group (The Green Beans) were in the garden. Today we needed to notice something we found interesting in the garden and write about what we learned from our noticing. I found broccoli, cabbage, silverbeet and interesting flowers to notice. The broccoli was growing to be big. So was the cabbage.

Chef of the Day: David (Year 4, Room 3)

Today my Garden to Table group called the Cool Cucumbers were in the kitchen. The recipe we made was *Cabbage and Apple Slaw*. This is a salad recipe that most people can eat because it is a vegetarian dish and it is very like coleslaw. The first thing we did was to peel and chop a variety of veggies including cabbage and carrots. We got many of our veggies from our school garden. Alex, Larkham and Esme made a salad dressing using olive oil, apple cider vinegar, lemon and honey. Today our teacher, Ben, reminded us about how to use knives safely when we are cooking. We are all still working towards getting our knife licences.

Health News

During the school holidays 14 staff members attended a Workplace First Aid course facilitated by TripleOneCare at school. We focused on CPR, choking, burns, seizure and anaphylaxis situations. The Workplace First Aid course provided valuable PD for staff members ensuring we are up to date with the latest first aid information, skills and techniques, practicing hands-on scenarios.

A first aid event can occur anytime at your workplace or at home. Knowing what to do could save a person's life.

Reminders :

Public Health Nurse

Don't forget we are very fortunate to have Tracey Hilt Public Health Nurse available at school every Monday from 11.00am -

3.00pm if you need to talk to a health professional, just pop in or call the office to speak to Tracey (04 388 7189).

Minor Ailment Service

The Strathmore Pharmacy Team is thrilled to announce our new winter service contracted by the Ministry of Health -- **the Minor Ailment Service (MAS)**, which is an initiative designed to provide convenient and accessible healthcare for minor health conditions, ensuring that children and their families receive the care they need without barriers.

Our experienced pharmacists will consult and provide treatment plans on various conditions, including pain and fever, diarrhoea, dehydration, minor eye inflammation and infections, minor skin infections, eczema or dermatitis, scabies, and head lice.

Consultation and treatments under the Minor Ailment Service scheme are FREE to children under 14 years of age, whānau members (of any age) experiencing the same symptoms as a child under 14, Community Service Card (CSC) holders, as well as Māori and Pacific members of our community.

There is no appointment required. Just come to the pharmacy to see us! Our opening hours are Monday to Friday 8:30 – 6:00pm and Saturday 9:00-1:00pm.

Period products

We remind you that Holy Cross School are participating in the Ikura | Manaakitia te whare tangata - period products in schools initiative.

Ikura (periods) are a fact of life for half the population. Through this initiative, the Ministry of Education is providing period products (pads and tampons) to support students in managing their ikura.

Students can miss out on learning, sporting and cultural activities, and feel embarrassed and ashamed if they can't access products to manage their periods. This negatively impacts their achievement and wellbeing.

The Ikura | Manaakitia te whare tangata initiative is available to all state and state-integrated schools and kura in New Zealand. Research shows that the average age young people start menstruating is decreasing. As a result, access to period products is needed in primary and intermediate as well as secondary schools.

We have products available for students to use at school and to take home. Students have been advised how they can access these products in a safe and discreet way.

We hope that providing access to period products will help to reduce barriers to accessing education.

Happy Birthday

Happy Birthday to the following students: Kruz, Flynn, Kayla, Meela, Oscar, Amalia, Kalypso, Jarvis & Zoe G. Have a wonderful day everyone.

Chris Bowden - Building Resilient Children

Please join us at St Anthony's Primary School (Seatoun) for a presentation designed especially for you, focusing on building resilience in our precious tamariki, managing strong emotions like anxiety, and promoting well-being.

Resilience is a superpower that helps children and adults bounce back from challenges and setbacks. It empowers us to face life's ups and downs with confidence, strength, and a positive mindset. In today's world, building resilience has become more important than ever, and we want to support you in nurturing your child and developing this essential skill.

During this informative and engaging presentation, our guest speaker, Chris Bowden, an expert in child psychology and emotional well-being, will share valuable insights and practical strategies that you can use at home. You'll learn effective techniques to nurture resilience in your child and discover ways to help them manage and understand anxiety and other strong emotions.

This event is free and entry is open to the wider Motu-Kairangi community. We highly encourage parents, family members, and friends to join us for this event. Please spread the word among your friends and whānau.

Scan the QR code to book your ticket

We can't wait to see you there. Please join us for drinks and nibbles from 7 pm, Chris starts speaking at 7.30 pm.

Holy Trinity Parish Vision

We are a prayerful and diverse Catholic community in the Eastern suburbs of Wellington, drawing strength from one another to grow and become fully alive as missionary disciples.

'PATIENCE WITH THE WEEDS'

You feel happy surprised when after a mistake or an offense on your part the person you have hurt is patient with you and gives you new chances. That is God's way with us. God keeps believing in us. That is also the way God wants us to treat one another. Like God, we should be fully aware that people are neither entirely good nor completely bad, and that therefore we should be patient, forgiving, trusting and give time to heal. *Fr Bill*

SACRAMENT OF CONFIRMATION – session 2 will be held this Sunday morning **Sun 23 July** following the 10.30am Mass in the upstairs foyer of St Patrick's Church in Kilbirnie. Please pray for our candidates Mason, Gila, Leanne, Mela, Lorenzo, Taylor, Isabelle, Tyler, Sahian, Alison, McKenzie, Monica, Liam, Sahara, Harlem, Isaiah.

PaknSave Collection confirmed for 26 Aug, new volunteers still wanted, please. If you are able to volunteer to help on the collection table (two people per hour) or on the inside entrance to the PaknSave handing out pamphlets (1 person per hour), **anytime between 11am-6pm on 26th August**, we'd love to hear from you. Please email either ingram2777@outlook.com or Annette:bridge@xtra.co.nz. Thanks so much for considering this - it is an easy and very fulfilling volunteer job (especially good for students out there who are trying to increase their hours for the Student Volunteer Army and Uni / Hall applications!)

Thanks so much for your generous donations to our pantry supplies and funds over the last month. Food donations have been particularly helpful as some of our clients struggle with their first true winter power bills arriving. We currently have an over supply of weet-bix and cornflakes, but would love more jams/spreads, canned vegetables, rice, pasta and pasta sauce to tide us over until the end of August PaknSave collection. Any cash donations can be made in our blue boxes or by direct transfer into our account: **02 - 0576 - 0017817 - 006**. We do also sincerely appreciate your on-going prayers.

Active clients now number over 40 ranging across welfare needs like food and clothing/bedding etc and pastoral care and friendship through visits, phone calls, and transport / other practical help. A few things that we noticing are that extraordinary expenses are a tipping point for many budgets, that needs are more complex, and that all clients are extremely grateful and always offer kind thanks for any help they receive. Please do not hesitate to refer anyone in need.

JESUS REVOLUTION MOVIE – thank you to those parishioners who have purchased tickets for this movie.

COUNCIL OF PRIESTS – Archbishop Paul has appointed Fr Bill to the Council of Priests. This is one of the three canonical bodies that are advisory to the Archbishop. **Their first meeting will be Tues 25 July.** Please pray for Archbishop Paul and all members of the Council of Priests.

PLEASE NOTE: 9.30am Tues 25 July - Liturgy of the Word with Communion
